The Spirit of '76

Make way for us, Here we come,
We're the future - America's young,
Don't criticize or mock our youth,
Just like you, We search for truth.
Hypocrisies won't get us down,
We will strike where these abound.
There's much to do, we're needed here.
To help preserve what men hold dear.

We'll work with others hand-in-hand.
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; Let us by,
The youth of America have arrived.
There's nothing wrong we can't fix;
We're the SPIRIT OF '76!

The unanimous Declaration of the '76 Annual Staff,

When in the course of human events it becomes necessary for one people to dissolve the educational bonds which have connected them with another, and to assume the responsibility of an adult in this now confusing & hectic world.

We the Annual Staff, do hereby declare our independence from high school.

Riverside girls get their man.

Whenever Seniors get together . . .

Uncle Sam wants you!

The class that strays together stays together.

David's caught again.

I think we're seniors, aren't we?

Senior Wills

I, DEBRA ACUFF, being of short mind and body, will my ability to have Miss Carrington for five classes in two years to anyone.

I, TIM ADAMS, being of wasted mind and an unsound body, hereby will my ability to be wild my junior year and straight my senior year to Wib Evans.

I, SHEILA ADKISSON, being of sound mind and body, will my seat in VOE to any junior crazy enough to take it.

I, JOANNA ANDERSON, being of small mind and car, will to anyone my parking space in front, IF they can get their vehicle in the space my "bug" takes.

I, PATRICIA AUTRY, will to any girl getting married the ability to get everything she wants in her house even though her fiance says no all the way to and from the store.

I, DARLA BAKER, being of thin mind and soon to be thin body (I hope), will my ability to drive a VW bus without any brakes to anyone who knows how to gear one down.

I, TAMMIE BEDINGFIELD, will my ability to try and not get embarrassed when sitting with a person like Suzanne Hobbs at a Southern Assembly Program to anyone.

I, DAN BOGGAN, will my ability to have football for three years under Coach Dickson and miss only two practices to any underclassman that devoted.

I, STELLA BOGGAN, will to Donna Montgomery my ability to knock and get knocked around in basketball games and not get hurt.

I, FELECIA GAIL BOROUGHS, being of no mind and sound body, will my ability to get along with others and not be a snob to Debra Acuff.

I, BRYANT BOX, being of unsound mind and weak body, will myself to Anita Scott if she wants me.

I, LINDA BRASHER, being of little mind and body, do hereby will my seat on the bench in basketball to Lisa Brasher, and a pair of tweezers to pick out the splinters.

I, TERRY BRASHER, being of sound mind and a "super body" will my ability to play football and my speed to Tim Johnson.

I, JACKIE BRIGANCE, being of sound body but very unsound mind, will to Ronnie West my ability to have a loaded gun in a truck and not get fined for it.

I, DARLENE CARRILLO, being of sound mind and confused mouth, do hereby will my ability to talk rapidly for 30 minutes and have no one understand what I say.

I, DAVID CARRINGTON, being of conceited mind and muscle-bound body, hereby refuse to will anything to anybody.

I, SHARON CLOYD, being of sound mind and body, will to Joy Bell the ability to go to Fairview during lunch and not get caught.

I, BOBBY DAVIS, being of insane mind and unsound body, leave my body to science; Mr. Lackey needs the practice.

DEDICATED TO SERVE
ALL YOUR INSURANCE NEEDS

"Congratulations and Bon Voyage, Class of 75"

"Knowledge, without common sense," says Lee, "is folly; without method, it is waste; without kindness, it is fanaticism; without religion, it is death." But with common sense, it is wisdom; with method, it is power; with charity, it is beneficence; with religion, it is virtue and life and peace.

FACE YOUR FUTURE WITH SECURITY
